Amendment

Dear Sir:

This amendment and response is per the Office Action mailed on September 1, 2004.

In the Claims:

Please amend the claims as follows.

Claims 1-5 (canceled)

Claim 6 (currently amended) A fishing line apparatus, for fitting along a rod of a fishing pole, comprising:

a generally elongate first plane;

a first set of bars, communicating with said first plane, forming a first curved region at a first end of said first plane;

a second set of bars, communicating with said first plane, forming a second curved region at a second end of said first plane;

a series of legs, communicating with said first plane, for attaching to the rod of the fishing pole;

a series of fasteners, communicating with said series of legs; and

a generally elongate second plane, communicating with said first set of bars and said second set of bars;
